Profil des Besitzers:

- Einträge ca. 1761-1766
- Besitzer kennt die Hamburger Aufführungspraxis, speziell diejenige Telemanns
- vermutlich wohnhaft in oder bei Hamburg
- aber: er weiß „Interna“, Klatsch und Tratsch von Sängern aus Mitteldeutschland

ALSO: wohl ein Hamburger Sänger um 1760/70: vielleicht einer der dort angestellten Ratssänger, der gelegentlich auch an (Opern)aufführungen in Mitteldeutschland mitwirkte
